Buyuk Hendek Cad., Istanbul, Turkey

Istiklal Street

This is the most active street in Istanbul where you'll find plenty of cafes, shops, restaurants and bars. Ride the red coloured tram if you wish all the way to Taksim Square.

istiklal street Taksim Beyoglu, Istanbul, Turkey

Dolmabahçe Palace

This palace was built in the 19th century and remains one of the most glamorous in the world. It served as the administrative center of the Ottoman Empire where the last Ottoman Sultans resided. The palace houses the second largest chandelier in the world and is open to the public by guided tour only.
