INTENSIVE TRAINING PROGRAMMES

Welcome to the **Maxillofacial Institute**

We are one of the most innovative centres in oral and maxillofacial surgery internationally. Prof. Hernandez-Alfaro and his team are academics and opinion leaders in the field. They teach courses and conferences worldwide and have published more than 120 scientific articles and several books defining protocols and surgical techniques in orthofacial or orthognathic surgery.

Go one step further.

Training **options**

4-DAY IMMERSION COURSE

- Four-day full incorporation into our surgical team
- Surgical 3D planning
- 2 participants per course

1-MONTH CLINICAL CLERKSHIP

- One-month full incorporation into our surgical team
- Surgical 3D planning
- Participation in clinical evaluations and research projects
- 1 participant per clerkship

6-MONTH FELLOWSHIP

- Full-time incorporation into our surgical team
- Surgical 3D planning
- Participation in clinical evaluations
- Participation in research projects and other activities
- 1 fellow per semester

1- YEAR FELLOWSHIP

- Full-time incorporation into our surgical team
- Surgical 3D planning
- Participation in clinical evaluations
- Participation in research projects and other activities
- 1 fellow per year

Our Faculty

THE MEMBERS OF OUR MEDICAL TEAM ARE RENOWNED LEADERS IN THEIR FIELDS, EXTRAORDINARY TEACHERS, AND DEDICATED MENTORS.

PROFESSOR HERNANDEZ-ALFARO

Specialized in Maxillofacial Surgery, Prof. Federico Hernandez-Alfaro leads several research projects, and is a Tenured Professor and Chair of the Oral and Maxillofacial Surgery Department of the UIC (International University of Catalonia) and the Director of the Maxillofacial Institute.

Devoted to the improvement of his medical field and the development of new surgical techniques, he lectures worldwide at courses and congresses, and is the author of more than 120 scientific articles, as well as several books.

DR. ADAIA VALLS ONTAÑÓN

Bachelor's Degree in Medicine and Dentistry, Specialist in Oral and Maxillofacial Surgery. Cum Laude Doctor Degree (PhD) by the Universitat Autónoma de Barcelona (UAB), Assistant Professor, Department of Oral and Maxillofacial Surgery of the International University of Catalonia (UIC) and Diploma in "European Board of Oral and Maxillofacial Surgery", Master in Statistics: design and analysis of clinical investigations by Universitat de Barcelona (UB).

Dr. Valls is a experienced surgeon who combines her daily clinical practice, where she specialises in neck and head tumors and ortho-facial reconstructive surgery (both congenital and acquired), with multiple research projects and teaching. Within the last 3 years, she has published 10 scientific articles in prestigious publications.

Challenge.

Upskill.

DR. DAVID NEAGU

Bachelor of Medicine, Specialist in Oral and Maxillofacial Surgery, Member of the Spanish Society of Facial Plastic Surgery, Member of the European Association for Cranio Maxillo Facial Surgery and of the Spanish Society of Oral and Maxillofacial Surgery and Head and Neck

Dr. Neagu specialises in oral surgery and facial cosmetic surgery.

Highlights

Of our training programmes

- **Learn first-hand the minimally-invasive techniques designed by Prof. Hernandez Alfaro and his team.**
- Participate in ongoing research projects.
- Learn how to use our 3D planning specialized software.
- Assist to different maxillofacial surgical procedures on an almost-daily basis.
- Learn about the internal functioning and methods of a Reference Center in Maxillofacial surgery.
- Work in a privileged environment, such as Teknon Medical Center, with access to cutting-edge technology.

Excellence.
Expertise.
Innovation.

Barcelona, an inspiring location

Barcelona is Spain's second largest city and its most cosmopolitan. From the surreal Modernist buildings to the dynamic business center and the bustling seafront, it is easy to understand Barcelona's immense popularity. Its Mediterranean climate, excellent location for international travel and feel for the avant-garde make Barcelona the perfect place to study abroad.

Stylish.
Cosmopolitan.
Stimulating.

Barcelona is the second municipality in Spain in population, important economic engine and strategic city for the traffic of people and merchandise, it also has an international airport that connects it with the five continents.

This is a city that is committed to innovation, the creation of new ideas and entrepreneurship and a mirror that reflects many cities today, due to its cosmopolitan, cultural and innovative character.

This desire to prosper and be a leading city, make Barcelona a rising destination for many European students who are committed to high-level education of prestige and quality.
