

4-DAY IMMERSION COURSE

Welcome to our 4-day Immersion Course

The aim of this course is to extend your knowledge and experience by attending to orthognathic surgery procedures at our Center, under the supervision of Professor Federico Hernandez Alfaro, Director of our Maxillofacial Institute.

This immersion course will give you a comprehensive and thorough insight of the planning and execution of orthofacial surgery procedures.

At the end of the program you will receive a Certificate of Completion.

* 2 participants per course

Price:
7.000€

This Course includes:

- Participation in clinical activities as an assistant/observer.
- Clinical evaluation of surgical cases.
- Treatment plan, methodology and applied criteria according to our innovative approach.
- 3D planning session
- Assistance as observer to surgical interventions performed by Prof. Hernandez Alfaro

Location

Our Maxillofacial Institute is located at the Teknon Medical Centre, an International centre of reference for health.
